Jonathan Read, CEO and President of Alchemy Enterprises Ltd., Talks with Traders Nation

*Major Partnership, Commercialization of Technology,
Prototype Development, Patent and Technology Ownership Rights,
Nationwide Distribution*

SCOTTSDALE, Ariz. – October 19, 2006 – Traders Nation is pleased to announce that it has completed an interview with Jonathan Read, CEO and President of Alchemy Enterprises Ltd. (OTCBB: ACHM), and the interview is available at <http://www.tradersnation.com/achm.shtml>.

Read updates listeners with current events of the company, which are alternative energy methods, major partnership, commercialization of technology, use of hydrogen, prototype development, transportation sector, patent and technology ownership rights, nationwide distribution and much more.

About Alchemy Enterprises Ltd.

Alchemy Enterprises Ltd. (OTCBB: ACHM) is an alternative energy company that is developing a new electric power cell technology that it believes will generate and manage electricity to power a broad range of applications, from everyday vehicles such as buses, trucks, trains and cars, to alternative power supply stations to power homes. Working in a research and development partnership with NASA's Jet Propulsion Laboratories, the patent-pending electric power cell technology is believed to be a clean, environmentally friendly, reusable source for electric power and fuel.

Traders Nation: Multiple segments make up the "LIVE" hour-long program where listeners and viewers gather daily to hear the latest smallcap news and scheduled guests, from industry experts and CEOs. Traders share investing, trading strategies and potential hot stock plays swirl throughout the call-in portion of the show.
